All Things Bright and Beautiful

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all.

The purple-headed mountain,
The river running by,
The sunset and the morning,
That brightens up the sky;
All things bright ...

The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one;
All things bright ...

The tall trees in the greenwood,
The meadows where we play,
The rushes by the water,
We gather every day;
All things bright ...
